

# Introduction to digital corpus creation and annotation

with **Rayan Ziane** (Université de Caen Normandie)

**19th-21st June 2023**

## Program:

19<sup>th</sup>: digitization of (old) texts (1:30pm – 4pm, H244)

20<sup>th</sup>: Document structuring and  
segmentation (9:00am – 11:30am, C421)

21<sup>st</sup>: automated syntactic annotation  
(8.30am – 11:30am, E405)

**Abstract:**

## Preparation:

- One machine per person with at least a text editor (like visual studio code)
- Google account, or python 3 and pip installed - python environment should be an Anaconda one <https://www.anaconda.com/>
- If you have any difficulties in advance, please contact: [rayan.ziane@unicaen.fr](mailto:rayan.ziane@unicaen.fr)
