Aim of investigation based on the KIDS Corpus:

Declaration of consent

I hereby confirm that the audio files will exclusively be used for the project described above. In case of any changes to the project, the authors of the KIDS Corpus* will be informed. In case of any publication of word (abstracts, conference proceedings, journal publications, etc.) based on data of the KIDS corpus, please cite the corpus as follows:

Zahner, K., Schönhuber, M., Grijzenhout, J. & Braun, B. (2016). Konstanz prosodically annotated infant-directed speech corpus (KIDS Corpus). *Proceedings of the 8th International Conference on Speech Prosody*. Boston, USA.

We additionally ask you to contact us* in case of a publication.
